---

- ♦ Begins at Perry Square in Downtown Erie
- ♦ Will conclude by 12:30 p.m. with a brief Memorial Service in west Perry Square

- ♦ Arrive at Perry Square by 10:45 a.m.

The *Roe v. Wade* Supreme Court decision of January 22, 1973 legalized abortion for virtually any reason during all nine months of pregnancy. There are now 1.2 million lives lost to abortion every year in the United States.

In the face of such a national tragedy as government-sponsored abortion, weighty arguments and stirring rhetoric alone are not enough. Change will come and love will prevail only when people of good will get concerned and get involved.
