

# 45TH MARCH FOR LIFE

WASHINGTON, DC ★ JANUARY 19, 2018

- Welcome to People for Life's annual March for Life Bus Trip!
- **Please make sure that your name is on your bus captain's roster.**
- Before you settle in for the trip, say hello and introduce yourself to a few of the people sitting near you. Then after each stop, make sure those individuals have returned to their seats before we get back on the road. This procedure will help ensure that no one is left behind.
- When leaving your bus, take everything you will need for the day. The buses will be inaccessible during most of the day.
- If you need help at any time, call (or preferably, text) People for Life's cell phone at (814) 882-1333 to reach Tim Broderick. If no one answers, leave a message.
- The March for Life now has a free mobile phone app that you might like to try. Search your app store for %March for Life 2018.+

- To proceed directly from **East Falls Church Station** (where we will get off the buses) to the starting point of the March for Life and the location of the March for Life Rally, take the Orange Line toward New Carrollton or the Silver Line toward Largo Town Center to **Smithsonian Station**, which is located on the edge of the National Mall, at 12th St. Metro travel time: 22 minutes, Distance 7.7 miles. Add \$.40 (\$10.20 total) if you would like to continue past Smithsonian Station to Capitol South Station. It is located on 1st St., which runs between the Capitol Building and the Supreme Court Building. Capitol South is only a block and a half south of the Capitol Building on 1st St. Metro travel time: 28 minutes (does not include waiting time), Distance: 9 miles.

**Allow 40 minutes for the return trip, in case there are long lines at Capitol South Station.**

# YOU **MUST** BE BACK TO YOUR BUS BY 5:15 PM!

There is a *very slight* chance that you that will encounter a few protesters during the March who want to argue. Simply ignore them. Any commotion would only detract from our message and help the pro-abortion people.
