

48TH MARCH FOR LIFE

WASHINGTON, DC ★ JANUARY 29, 2021

- Welcome to People for Life's annual March for Life Bus Trip!
- **Please make sure that your name is on your bus captain's roster.**
- Please say hello and introduce yourself to a few of the people near you on your bus. Then after each stop, make sure those individuals have returned to their seats before we get back on the road. This procedure will help ensure that no one is left behind.
- When leaving your bus, take everything you will need for the day. The bus will be inaccessible during most of the day.
- If you need help at any time, call People for Life's cell phone at **(814) 882-1333** to reach Tim Broderick. If no one answers, leave a message.
- The March for Life now has a free mobile phone app that you might like to try. Search your app store for "March for Life 2021."

Using the Washington Metro (Subway) System

Before using the Metro system, purchase your **Smartrip** card from one of the vending machines at the entrance to the Metro station. The fare cards can be encoded for any cash amount you specify. **CAUTION:** Have a credit or debit card, or \$5 or \$10 dollar bills ready to use in the vending machines. They *will* accept \$20 bills *but* will only return a maximum of \$10 in change. Your best option might be to purchase an all day unlimited pass for \$15. You will then have complete freedom of movement. Nevertheless, the exact cost for several travel options are provided below.

There is a *very slight* chance that you that will encounter a few protesters during the March who want to argue. Simply ignore them. Any commotion would only detract from our message and help the pro-abortion people.
