

PERMISSION AND MEDICAL RELEASE FORM

March for Life Bus Trip

I hereby grant permission for the following minor to attend the Washington, DC March for Life on January 21, 2022 and participate in the People for Life Bus Trip to and from the March.

I further grant permission for any necessary emergency medical aid should the minor suffer an illness or accident. I understand that in such an event a reasonable effort will be made to contact me by telephone at the number listed below for consultation.

I understand that People for Life does not provide chaperones and that if I deem any guidance or supervision necessary (beyond the basic instructions and advice that would normally be offered to an adult), it is my responsibility to arrange for the minor to be in the care, throughout these activities, of an adult that I will designate.

I hereby release People for Life, Inc. and its representatives from any liability in connection with these activities.
