

53RD MARCH FOR LIFE

WASHINGTON, DC ★ JANUARY 23, 2026

- Welcome to People for Life's 53rd Bus Trip to the March for Life!
- **Please make sure that your name is on your bus captain's roster.**
- Please say hello and introduce yourself to a few of the people near you on your bus. Then after each stop, make sure those individuals have returned to their seats before we get back on the road. This procedure will help ensure that no one is left behind.
- When leaving your bus, take everything you will need for the day. The bus will be inaccessible during most of the day.
- If you need help at any time, call People for Life's cell phone at **(814) 882-1333** to reach Tim Broderick. If no one answers, leave a message.

Using the Washington Metro (Subway) System

Before using the Metro system, purchase your **SmarTrip** card from one of the vending machines at the entrance to the Metro station. The fare cards can be encoded for any cash amount you specify. **CAUTION:** Have a credit or debit card, or \$5 or \$10 dollar bills ready to use in the vending machines. They *will* accept \$20 bills *but* will only return a maximum of \$10 in change. Your best option might be to purchase an **all-day unlimited pass for \$15.50**, but note that the unlimited pass expires, whereas other funds loaded to the card remain for future use. (Save \$2 by recharging your old WMATA SmarTrip Card if you have one.) With an all-day pass, you will have complete freedom of movement. Nevertheless, the exact cost for several travel options is provided below. THE ITEMIZED COSTS BELOW INCLUDE THE RETURN TRIP TO THE BUS.

Most Direct Route from the Bus to the Starting Point of the March

COST FOR ENTIRE DAY \$13.10 (includes \$2.00 for a new, rechargeable SmarTrip card)

- To proceed directly from **West Falls Church** (where we will leave the buses) to the starting point of the March and the location of the March for Life Rally, take the **Orange Line toward New Carrollton** to **Smithsonian** station, which is located on the National Mall, at 12th St. Metro travel time: 25 minutes, Distance 9.6 miles. COST FOR ENTIRE DAY \$15.75 (includes \$2.00 for a new, rechargeable SmarTrip card)

This is the "scenic route." The distance is 0.8 miles, and the walking time is about 17 minutes.
- After visiting Union Station, take the **Red Line toward Shady Grove**, to **Metro Center**. From **Metro Center** take any train toward **New Carrollton** or **Largo Town Center** and exit at **Smithsonian** station.
