

Where do the Candidates Stand on Abortion?

For President

Donald Trump

Joe Biden

Abortion on Demand

The 1973 *Roe v. Wade* and *Doe v. Bolton* U.S. Supreme Court decisions legalized abortion on demand throughout the United States, resulting in more than 61 million abortions.

President Trump has proven his pro-life commitment.

As president he has appointed pro-life advocates in his cabinet and administration, restored the “Mexico City Policy,” and he has pledged “to veto any legislation that weakens current pro-life federal policies and laws, or that encourages the destruction of innocent human life.”

Joe Biden supports the current policy of abortion on demand.

Joe Biden voted for the Harkin Amendment to endorse *Roe v. Wade*, which allows abortion for any reason. Joe Biden supports the Democratic platform of unlimited abortion even through birth.

The Pain-Capable Unborn Child Protection Act

The Pain-Capable Unborn Child Protection Act would prohibit abortions after the unborn child is capable of feeling pain from abortion.

In his 2019 State of the Union speech, President Donald Trump called on Congress to “pass legislation to prohibit the late-term abortion of children who can feel pain in the mother’s womb.”

When asked about prohibiting abortions after 20 weeks when the unborn child can feel pain, Joe Biden said, “I’m not going to interfere with that,” which would allow abortion through birth.

Taxpayer Funding of Abortion

President Trump opposes using tax dollars to pay for abortion. His administration issued regulations to ensure Title X funding does not go to facilities that perform or refer for abortions. He also cut off funding for the UNFPA due to their involvement in China’s forced abortion program.

Joe Biden supports using tax dollars to pay for abortion. Joe Biden says he supports elimination of the Hyde Amendment. Joe Biden voted for taxpayer funding of overseas pro-abortion organizations.

Nominations to the U.S. Supreme Court

The fundamental documents of American democracy and freedom, the Constitution and the Declaration of Independence, have given us essential principles to be respected by the courts such as the “unalienable” right to life.

The next president may have the opportunity to appoint one to three justices to the U.S. Supreme Court.

Donald Trump has appointed Neil Gorsuch and Brett Kavanaugh to the U.S. Supreme Court. These appointments are consistent with the belief that federal courts should enforce rights truly based on the text and history of the Constitution.

Joe Biden pledges that his judicial nominees would “support the right of privacy, on which the entire notion of a woman’s right to choose is based.”
